Top-class training in every issue

- **Move by Move:** making use of a beautiful game, Grandmaster Daniel King challenges his readers. In selected positions it is your move and Daniel King awards points for your solutions and provides feedback!
- **Tactics:** Bundesliga player Oliver Reeh selects nice tactical exercises from the latest tournaments and you can see how you measure up against the clock. In addition, on a video the author offers you a deeper insight into the way combinations arise and how to find them.
- **Strategy:** Peter Wells' column is regularly praised by international reviewers for its originality and quality.
- **Endgames:** Hamburg Grandmaster Karsten Müller is acclaimed worldwide as one of the greatest experts in the endgame. In his contributions he analyses the most interesting endgames of the previous two months and demonstrates in video format the most beautiful endings.
- **The opening trap:** Editor in chief and Grandmaster Rainer Knaak presents a subtle opening trap in every issue.
